## Mom to Mom Mission Statement

*Our mission is to educate, encourage, and equip women for the most important job in all the world: parenting. We do this through practical, Biblically-based teaching and supportive interaction in small groups led by experienced mothers, after the mentoring model put forth in Titus 2:4 in the New Testament. Our goal is to foster growth not only in our parenting skills but in our wholeness as women: intellectually, relationally, and spiritually.*

*“teach the older women to . . . teach what is good. Then they can train the younger women to love their husbands and children.”*

*~ Titus 2:3-4*

Mom to Mom is a program used by churches all across the country. Check out the website and read Linda's blog to discover more about the Mom to Mom program: [www.momtommom.org](http://www.momtommom.org)

*Parenting  
wisdom  
is at your  
fingertips.*

We know that being a mom is one of the most important jobs in the world. And while it comes with delightful benefits and moments of pure joy, we also know that it has challenges and can at times seem like a lonely place. At M2M, we know that the job is a big one and that moms need resources, support and encouragement beyond themselves.

M2M offers practical advice, through wisdom and humor, all filtered through the Bible as the ultimate authority and truth. The year is divided into two semesters. The first semester has a primary focus on marriage and parenting as we look together at what the Bible has to say about you, your marriage and raising your children to be all that God has purposed and planned. Because we know that tending to your own active, growing faith is the best gift you can give to your family, we have designed the second semester to be a time to dig deeper into where you are in your own faith and what your next step might be. It doesn't matter whether you are just beginning to investigate what following Jesus means or you have been growing in faith for as long as you can remember, you will benefit from this time.

**All moms in all stages of life are welcome!!!**

Both semesters have the same basic design - a relaxed environment conducive to growing in friendship and community, support and encouragement between younger moms as well as from leaders who are moms a little further along in the journey. Great conversation and idea exchange, solid teaching and the all important coffee, tea and light refreshments fill each Tuesday morning. Also built into both semesters are days where we break away from the teaching schedule and just have fun together by way of cooking, making a craft, learning a new skill or designing a fun family activity.

We gather on Tuesday mornings for refreshments and conversation from 9:00-9:30am and then move into teaching and discussion from 9:30-11:30am. Childcare is provided for infants through Kindergarten.

**Fall Semester: September 13 - December 13**  
**Spring Semester: January 17 - May 9**

The cost per semester is \$20. (payment plans and need based scholarships are available) Workbooks are not necessary for the class but if you desire to have one, they may be ordered separately.
