We're proud to announce our 2nd Annual Golf Outing with all proceeds going to benefit The Center in Midland, Pa - an outreach community center, through Four Mile Church.

Our mission at The Center is to equip and empower generations through Christ, by helping people take their next step toward Jesus together. Student Ministry meets twice a week and provides students with a meal, Biblical teaching, mentors, tutoring, and training in areas like art & healthy cooking in a safe Christ-centered environment. Our basketball camp & challenge week camp are offered for kids in K-8th grade during the summer as an outreach to the community. Our Adult/Family Ministry helps meet immediate needs & provides an avenue for residents to give back to community; opens the door for relational connections. It is our objective to partner with other Midland churches, organizations & businesses in order to better impact the community. Our effort is to be a center where other churches and individuals can volunteer and pour into the lives of others.
