

We are excited to announce a new opportunity for the kids in this community through a partnership with Family Guidance:
Mentoring @ The Center

What is mentoring?

In our program, your child will be matched with an adult volunteer mentor who will act as a role model and source of friendship and encouragement. The volunteer will take him/her on various excursions into the community.

Why Have a Mentor for My Child?

Research shows that all children greatly benefit from having a positive adult role model in his/her life, aside from parents. We hope that through participating in the mentoring program your child will feel supported in setting goals & making good decisions about their lives and their future.

Who Can Join?

We are currently accepting nominations for any child ages 8-15 years.

What if I have Questions?

Please feel free to contact the Mentor Program Director:
Cheryl Williams 724/977-2436 or leo_ladi@yahoo.com
Jen Miller 724/396-6177 or jen@fourmile.org
