

Four Mile Preschool Statement of Beliefs

We believe that our primary function is to share God's love with children through a loving, accepting environment and by modeling Christ in all relationships.

We value each child as a gift of God with a unique personality, temperament and style; and believe in responding to these individual differences through appropriate expectations, words and actions.

We believe that one of the most important and lasting gifts that we can give a child is a positive self-concept.

We believe that children should be allowed to freely express their God-given creativity through their own expression in art, music, movement and drama.

We believe that discipline is not synonymous with punishment. Rather discipline is a training process that involves choices, time, patience, and consistent guidance and learning.

The Four Mile Preschool calendar follows Beaver/Western Beaver school calendars for most vacations and holidays. Preschool begins after Labor Day and ends the third week in May.

Our class sizes are limited. The staff consists of one certified teacher per class and teaching assistants, who are all qualified in First Aid, CPR, as well as TLC (Tender Loving Care). Each child is taught that he or she is special with their own unique talents and gifts. Each one is handled with respect and love.
